The Nemetschek Group at BAU ONLINE 2021

Munich, January 12, 2021 - Tomorrow, BAU ONLINE 2021 opens its virtual doors. Allplan, Bluebeam, Frilo (together with the Bundesverband Bausoftware e.V. and SEMA Software), Nevaris and Vectorworks (represented by their reseller Computerworks) - five brands of the Nemetschek Group - will present their solutions. They are hosting lectures and workshops on topics such as digitization of the construction site and open standards in the construction lifecycle, and many more.

The Friday offers a special highlight: politics meets business. In the session "Digitalization in the construction industry - between ambition and reality",

Dr. Axel Kaufmann, CEO and CFOO of the Nemetschek Group, and Michael Kießling, Member of the German Bundestag, will discuss the current challenges in the construction industry. The event will be moderated by Stefan Kaufmann, Product Manager BIM Strategy & New Technologies at Allplan. Interested parties can register [here](#).

BAU ONLINE 2021, the virtual edition of one of the world's largest trade fairs for the construction industry, will take place from January 13 to 15, 2021. 230 exhibitors from 28 countries will showcase more than 1,300 live presentations. All details about this year's event can be found at <https://bau-muenchen.com/de/>.

About the Nemetschek Group

The Nemetschek Group is a pioneer for digital transformation in the AEC/O industry. With its intelligent software solutions, it covers the entire lifecycle of building and infrastructure projects and guides its customers into the future of digitalization. As one of the leading corporate groups worldwide in this sector, the Nemetschek Group increases quality in the building process and improves the digital workflow of all those involved in the building process. Customers can design, build and manage buildings more efficiently, sustainably and resource-saving. The focus is on the use of open standards (OPEN BIM). The portfolio also includes digital solutions for visualization, 3D modeling, and animation. The innovative products of the 15 brands of the Nemetschek Group in the four customer-oriented segments are used by approximately six million users worldwide. Founded by Prof. Georg Nemetschek in 1963, the Nemetschek Group today employs more than 3,000 experts.

Publicly listed since 1999 and quoted on the MDAX and TecDAX, the company achieved revenue amounting to EUR 596.9 million and an EBITDA of EUR 172.3 million in 2020.
