## Nemetschek Achieves Platinum Status with Seventh Consecutive Win of Best Managed Companies Award

Munich, Germany, May 23, 2025 – The [Nemetschek Group](#), a leading global provider of software solutions for the AEC/O (Architecture, Engineering, Construction & Operations) and media industries, received the Best Managed Companies Award 2025. Presented by Deloitte Private, UBS, Frankfurter Allgemeine Zeitung and the Federation of German Industries (BDI), the award celebrates outstanding management excellence among Germany's mid-sized enterprises. The winners were honored during a ceremony held in Frankfurt, Germany, on 22 May 2025. This marks the seventh time that the Nemetschek

## **Group received this prestigious award.**

“We are proud to be recognized with the Best Managed Companies Award for the seventh consecutive year,” says Yves Padrines, CEO of the Nemetschek Group. “This award reflects our ongoing commitment to sustainable innovation, customer-focused solutions, and responsible corporate leadership. I would like to sincerely thank all our employees, whose expertise and dedication enable our customers to shape a smarter and more sustainable built environment.”

“Best Managed Companies like the Nemetschek Group have impressively demonstrated their outstanding corporate governance. Their success is based on a well-thought-out and intelligent business model, a highly motivated team, and a strong determination to initiate and implement innovation. As pioneers and role models, they have more than earned their recognition as Best Managed Companies,” explains Markus Seiz, Director at Deloitte Private and Head of the Best Managed Companies program.

For over 60 years, the Nemetschek Group has been a global leader in driving digital innovation, efficiency, and sustainability across the construction and media industries. Nemetschek’s intelligent, AI-powered software solutions enable professionals to plan, build, and manage buildings and infrastructure more efficiently and sustainably throughout their entire lifecycle. The company leads the way in open standards like OPEN BIM for seamless collaboration and data-driven decision-making, while embedding sustainability and lifecycle management into every phase of a project. In the media industry, Nemetschek empowers creative professionals to produce cutting-edge digital content, from visualizations to films and games. Through ongoing investment in new technologies and strategic partnerships, Nemetschek continues to shape a smarter, greener, and more connected built world.

## **About Best Managed Companies**

The Best Managed Companies program is a competition and seal of approval for successful mid-sized companies. The vision: to build a national and global ecosystem of excellently managed mid-sized companies. A key unique selling point of Best Managed Companies is its internationality: Best Managed Companies was launched by Deloitte in Canada in the 1990s and has since

been successfully introduced in more than 45 countries.

## About the Nemetschek Group

The Nemetschek Group is a globally leading software provider for the digital transformation in the AEC/O and media industries. Its intelligent software solutions cover the entire lifecycle of construction and infrastructure projects and allow creatives to optimize their workflows. Customers can plan, construct, and manage construction projects more efficiently and sustainably, and develop digital content such as visualizations, films, and computer games in a creative way. The software company drives new technologies such as artificial intelligence, digital twins, and open standards (OPEN BIM) in the AEC/O industries to increase productivity and sustainability and continuously expands its portfolio, including through acquisitions and investments in innovative start-ups. More than 7 million users are currently using the customer-focused solutions. Founded by Prof. Georg Nemetschek in 1963, the Nemetschek Group today employs more around 4,000 experts.

The company, which has been listed in the MDAX and TecDAX since 1999, achieved a revenue of EUR 995.6 million and an EBITDA of EUR 301.0 million in 2024. Since the end of 2024, the Nemetschek Group is certified in accordance with ISO 27001, the internationally recognized standard for information security management systems (ISMS).
