## Nemetschek Group at BIM Day GVA 2025

**Munich, 6 February 2025** – The [Nemetschek Group](#), a leading global software provider for the digital transformation in the construction and media industries, is present together with its brands ALLPLAN, Bluebeam, dRofus, Graphisoft, Solibri and Vectorworks at the BIM Day GVA in Geneva, Switzerland for the first time. At booth D1, the six Nemetschek brands will be presenting innovative BIM solutions for more sustainability and efficiency – also thanks to the use of artificial intelligence.

The Nemetschek joint stand offers practical insights into the latest BIM solutions. Visitors can expect a comprehensive product portfolio and live demos. A highlight for the BIM community is the presentation by Graphisoft and Solibri, showcasing how the Audit BIM extension optimizes model

checking.

The BIM Day GVA has established itself as the most important event for stakeholders in the construction industry in French-speaking Switzerland. In particular, the event also serves as a platform for joint exchange and networking as well as for conferences and workshops by renowned experts to learn about the latest technological developments and best practices. to get to know.

## **About the Nemetschek Group**

The Nemetschek Group is a globally leading provider of software for digital transformation in the AEC/O and media industries. Its intelligent software solutions cover the entire life cycle of construction and infrastructure projects and allow creatives to optimize their workflows. Customers can plan, construct, and manage buildings and infrastructure more efficiently and sustainably, and develop digital content such as visualizations, films, and computer games in a creative way. The software company drives new technologies and approaches such as artificial intelligence, digital twins, and open standards (OPEN BIM) in the AEC/O industries to increase productivity and sustainability. We are continuously expanding our portfolio, including through investments in disruptive start-ups. More than 7 million users are currently designing the world with the customer-focused solutions of our four segments. Founded by Professor Georg Nemetschek in 1963, the Nemetschek Group today employs around 4,000 experts.

The company, which has been listed in the MDAX and TecDAX since 1999, achieved a revenue of EUR 851.6 million and an EBITDA of EUR 257.7 million in 2023.
