Nemetschek Group Executives Change

- **Viktor Várkonyi is leaving the company after many years of successful activity**
- **César Flores Rodríguez takes over the Planning & Design segment as Chief Division Officer**

Munich, July 3, 2023 - The Nemetschek Group, a leading global software provider for digital transformation in the construction and media industries, announces César Flores Rodríguez as the new Chief Division Officer for the Planning & Design Division.

César Flores Rodríguez will take over and lead the Planning & Design Division as Chief Division Officer in addition to his current role as Chief

Division Officer for the Operate & Manage Division and the Digital Twin Business Unit. He has already shaped the strategic development of the Nemetschek Group since last year, first as an external consultant, then as Chief Division Officer for the Operate & Manage division and for the new Digital Twin business unit, which represents an important cross-divisional function in the Nemetschek Group.

César Flores Rodríguez takes over the leadership of the division from Viktor Várkonyi, who has held various management positions in the Nemetschek Group over the past 20 years, since 2013 as a member of the Executive Board. The Supervisory Board thanks Mr. Várkonyi, who left the company on 30 June 2023, for his important and long-standing contribution to the success of the Nemetschek Group.

About the Nemetschek Group

The Nemetschek Group is a globally leading software provider for digital transformation in the AEC/O and media industries. Its intelligent software solutions cover the entire lifecycle of building and infrastructure projects and enable creatives to optimize their workflows. Customers can design, build, and manage buildings and infrastructures more efficiently and sustainably and develop digital content such as visualizations, films and computer games more creatively. The software provider is driving innovations such as digital twins as well as open standards (OPEN BIM), and sustainability in the AEC/O industry, constantly expanding its portfolio by also investing in deep-tech startups. Currently more than seven million users worldwide are shaping the world with the customer-focused solutions of our four divisions. Founded by Prof. Georg Nemetschek in 1963, the Nemetschek Group today employs around 3,600 experts globally.

Publicly listed since 1999 and quoted on the MDAX and TecDAX, the company generated revenues amounting to EUR 801.8 million and an EBITDA of EUR 257.0 million in 2022.
