Nemetschek Group Honored with Best Managed Companies Award

Munich, 24 May, 2024 –The [Nemetschek Group](#), a leading global provider of software solutions for the AEC/O and media industries, is winner of the Best Managed Companies Award 2024. Deloitte Private, UBS, and the Frankfurter Allgemeine Zeitung together with the Federation of German Industries (*Bundesverband der Deutschen Industrie, BDI*) honored outstandingly managed companies from the German SME sector in an award ceremony in Frankfurt, Germany on 23 May 2024. The Nemetschek Group received the prestigious award for the sixth time.

“We are very proud to be once again recognized as a winner of the esteemed Best Managed Companies Award. The sixth consecutive win confirms our strategy to sustainable growth and driving innovation in the construction and media industries with a strong customer focus,” says Yves Padrines, CEO of the Nemetschek Group. “Thanks a lot to all our employees for their dedication and hard work in supporting our customers to shape the world in all dimensions.”

“The Nemetschek Group and the other award-winning companies are a strong foundation of our economy. They are ‘doers’, innovation leaders and committed to sustainable corporate management. These companies look far into the future and do not just think from quarter to quarter. This is precisely why they have earned their award as Best Managed Company,” explains Markus Seiz, Director at Deloitte Private and Head of the Best Managed Companies program.

For more than six decades, the Nemetschek Group has been a driver for digitalization, efficiency and sustainability in the construction and media industry. The software solutions of the Nemetschek Group cover the entire lifecycle of construction and infrastructure projects to optimize their workflows, so buildings and infrastructures can be planned, built, and managed more efficiently and sustainably. Additionally, the solutions enable creative professionals to develop digital content such as visualizations, films and computer games.

About Best Managed Companies

The Best Managed Companies program is a competition and seal of approval for successful mid-sized companies. The vision: to build a national and global ecosystem of excellently managed mid-sized companies. A key unique selling point of Best Managed Companies is its internationality: Best Managed Companies was launched by Deloitte in Canada in the 1990s and has since been successfully introduced in more than 45 countries.

About the Nemetschek Group

The Nemetschek Group is a globally leading provider of software for digital

transformation in the AEC/O and media industries. Its intelligent software solutions cover the entire life cycle of construction and infrastructure projects and allow creatives to optimize their workflows. Customers can plan, construct, and manage buildings and infrastructure more efficiently and sustainably, and develop digital content such as visualizations, films, and computer games in a creative way. The software company drives new technologies and approaches such as artificial intelligence, digital twins, and open standards (OPEN BIM) in the AEC/O industries to increase productivity and sustainability. We are continuously expanding our portfolio, including through investments in disruptive start-ups. More than 7 million users are currently designing the world with the customer-focused solutions of our four segments. Founded by Prof. Georg Nemetschek in 1963, the Nemetschek Group today employs more than 3,400 experts.

The company, which has been listed in the MDAX and TecDAX since 1999, achieved a revenue of EUR 851.6 million and an EBITDA of EUR 257.7 million in 2023.
