Nemetschek Group proposes dividend increase to EUR 0.48 per share

- **Eleventh consecutive dividend increase**
- **Total dividend payout rises to EUR55.4 million**

Munich, March 15, 2024 – The Supervisory Board of Nemetschek SE approved at today's meeting the Executive Board's proposal for a further increase in the dividend. The Supervisory Board and Executive Board of Nemetschek SE, a globally leading software provider for digital transformation in the construction and media industries, are proposing to the Annual General Meeting on May 23, 2024 to increase the dividend for the 2023 financial year

by 6.7% to EUR 0.48 per share (previous year: EUR 0.45 per share).

This would be the eleventh time in a row that Nemetschek has raised its dividend. With 115.5 million shares, the total dividend payout would increase to EUR 55.4 million (previous year: EUR 52.0 million). The Group will thus continue its long-term dividend policy on the strength of its encouraging business performance in 2023. Even in the current uncertain economic environment, shareholders will participate in the Group's success through a higher dividend. In 2023, the Group increased its revenue by 6.2% (currency-adjusted: 8.0%) to EUR 851.6 million based on its preliminary figures and achieved an EBITDA margin of 30.3%.

About the Nemetschek Group

The Nemetschek Group is a globally leading software provider for digital transformation in the AEC/O and media industries. Its intelligent software solutions cover the entire lifecycle of building and infrastructure projects and enable creatives to optimize their workflows. Customers can design, build, and manage buildings and infrastructures more efficiently and sustainably and develop digital content such as visualizations, films and computer games more creatively. The software provider is driving innovations such as digital twins as well as open standards (OPEN BIM), and sustainability in the AEC/O industry, constantly expanding its portfolio by also investing in deep-tech startups. Currently more than seven million users worldwide are shaping the world with the customer-focused solutions of our four divisions. Founded by Prof. Georg Nemetschek in 1963, the Nemetschek Group today employs around 3,600 experts globally.

Publicly listed since 1999 and quoted on the MDAX and TecDAX, the company achieved a revenue of EUR 851.6 million and an EBITDA of EUR 257.7 million in 2023 according to preliminary figures.
