Nemetschek Group receives AxiaBest Managed Company Award for Outstandingly Managed Companies

Munich, May 6, 2021 - The Nemetschek Group has been awarded with the AxiaBest Managed Companies Award 2021. The prize and quality seal are awarded annually by Deloitte Private, CreditSuisse, WirtschaftsWoche and the Federal Association of German Industry BDI to outstandingly managed companies. The international Nemetschek Group, headquartered in Munich, develops and distributes software for the entire life cycle of buildings.

“We are delighted to have been named an AxiaBest Managed Company for the fourth time. Winning a prestigious award such as this drives us every year

to consistently develop our strategy further,” says Dr. Axel Kaufmann, spokesman of the executive board and CFOO of the Nemetschek Group. “My sincere thanks go to our 3,000 plus colleagues worldwide, who have once again shown exceptional commitment, even in the difficult pandemic year of 2020.”

“From the development of forward-looking strategies and innovative processes to effective corporate governance structures and a healthy corporate culture – like all winners of the AxiaBest Managed Companies Award, the Nemetschek Group stands out for entrepreneurial excellence, and once again sets standards in all key areas of corporate management,” emphasizes Lutz Meyer, Partner and Head of Deloitte Private.

With 15 innovative brands in four segments, the Nemetschek Group holds a unique position in the market. With its software solutions, buildings can be planned, built, and operated more efficiently and sustainably. The Nemetschek Group focuses on customer needs and open standards (OPEN BIM).

About the AxiaBest Managed Companies Award

The AxiaBest Managed Companies program is a competition to identify successful medium-sized companies, and is run by Deloitte Private, WirtschaftsWoche, CreditSuisse and the BDI in Germany. Winning the competition and being awarded an AxiaBest Managed Companies seal is a recognized benchmark of quality. The vision: to build a national and global ecosystem of excellently managed medium-sized companies. A key unique selling point of Best Managed Companies is its internationality, as Best Managed Companies was launched by Deloitte in Canada in the 1990s and has since been successfully introduced in more than 30 countries.

About the Nemetschek Group

The Nemetschek Group is a pioneer for digital transformation in the AEC industry. With its intelligent software solutions, it covers the entire lifecycle of building and infrastructure projects and guides its customers into the future of digitalization. As one of the leading corporate groups worldwide, the Nemetschek Group increases quality in the building process and improves

the digital workflow of all those involved in the building process. This makes it possible to design, build and manage buildings with greater efficiency, sustainability and environmental compatibility in terms of resources. The focus is on the use of open standards (Open BIM). The portfolio also includes digital solutions for visualization, 3D modeling and animation. The innovative products of the 15 brands of the Nemetschek Group in the four customer-oriented segments are used by approximately six million users worldwide. Founded by Prof. Georg Nemetschek in 1963, the Nemetschek Group today employs more than 3,000 experts. Publicly listed since 1999 and quoted on the MDAX and TecDAX, the company achieved revenue amounting to EUR 596.9 million and an EBITDA of EUR 172.3 million in 2020.
