## Nemetschek Group Receives Best Managed Companies Award for the Fifth Time

**Munich, May 26, 2023** - The Nemetschek Group, a leading global provider of software solutions for the AEC/O and media industry, is among the winners of the Best Managed Companies Award 2023. Deloitte Private, Credit Suisse and the Frankfurter Allgemeine Zeitung, together with the Federation of German Industries (BDI), honor outstandingly managed companies from the German SME sector. The Nemetschek Group received the prestigious award for the fifth time.

"We are very proud to be once again among the winners of the prestigious Best Managed Company Award. The fifth consecutive award confirms our strategy to sustainable growth and to drive innovation in the construction industry. At the same time, the award motivates us to continue to set the pace for the digitalization of the construction industry and to maintain our strong focus on the needs of our customers. My thanks go to our employees worldwide who support all stakeholders along the construction lifecycle as well as creatives and designers in shaping the world in all its dimensions," comments Yves Padrines, CEO of the Nemetschek Group.

"Best Managed Companies like the Nemetschek Group are a strong and supporting pillar of our economy. They are innovation drivers and at the same time 'keepers of the flame' in the sense of sustainably oriented corporate management. Such strong companies think in generations and not in quarters, which is why they deserve an award," adds Markus Seiz, Best Managed Company Program Leader and Director at Deloitte Private.

For 60 years, the Nemetschek Group has been a driver for more digitalization, efficiency and sustainability in the construction and media industry. Its software solutions cover the entire lifecycle of construction and infrastructure projects and enable creative professionals to optimize their workflows so that buildings and infrastructures can be planned, built, and managed more efficiently and sustainably, and digital content such as visualizations, films and computer games can be developed creatively.

## **About Best Managed Companies**

The Best Managed Companies program is a competition and seal of approval for successful mid-sized companies. The vision: to build a national and global ecosystem of excellently managed mid-sized companies. A key unique selling point of Best Managed Companies is its internationality: Best Managed Companies was launched by Deloitte in Canada in the 1990s and has since been successfully introduced in more than 45 countries.

## **About the Nemetschek Group**

The Nemetschek Group is a globally leading software provider for digital

transformation in the AEC/O and media industries. Its intelligent software solutions cover the entire lifecycle of building and infrastructure projects and enable creatives to optimize their workflows. Customers can design, build, and manage buildings and infrastructures more efficiently and sustainably and develop digital content such as visualizations, films and computer games more creatively. The software provider is driving innovations such as digital twins as well as open standards (OPEN BIM), and sustainability in the AEC/O industry, constantly expanding its portfolio by also investing in deep-tech startups. Currently more than seven million users worldwide are shaping the world with the customer-focused solutions of our four divisions. Founded by Prof. Georg Nemetschek in 1963, the Nemetschek Group today employs around 3,600 experts globally.

Publicly listed since 1999 and quoted on the MDAX and TecDAX, the company generated revenues amounting to EUR 801.8 million and an EBITDA of EUR 257.0 million in 2022.
