Nemetschek Group Receives Golden Best Managed Companies Award

Munich, May 13, 2022 - The Nemetschek Group, one of the world's leading providers of software solutions for the AEC/O and Media & Entertainment industries, is a four-time winner of the Best Managed Companies Award and thus carries the gold status of the quality seal for excellently managed companies. The quality seal is awarded annually by Deloitte Private, CREDIT SUISSE, Frankfurter Allgemeine Zeitung, and BDI. This year, the Nemetschek Group once again was awarded with the renowned prize.

"We are very proud to receive the Best Managed Company Award again. The

repeated success honors our sustainable growth and innovation strategy with our strong customer and employee focus. At the same time, it is a great incentive to improve even further," says Yves Padrines, CEO of the Nemetschek Group. "I would like to express my sincere thanks to our all colleagues across all our brands for their extraordinary commitment in helping our customers shape the world every day."

"As a winner of the Best Managed Companies Award, the Nemetschek Group has yet again successfully demonstrated its outstanding corporate management. The Nemetschek Group is thus not only a benchmark for German SMEs, but at the same time stands for a strong as well as thoughtful economy in turbulent times," adds Markus Seiz, Best Managed Company Program Manager and Director at Deloitte Private.

The intelligent software solutions of the 13 brands of the Nemetschek Group in four strong segments cover the entire construction life cycle and also enable artists to optimize their workflows. Buildings can be planned, built and operated more efficiently, sustainably and with less impact on resources, and digital content such as visualizations, films and computer games can be implemented more creatively.

About the Nemetschek Group

The Nemetschek Group is a pioneer for digital transformation in the AEC/O and the media & entertainment industries. With its intelligent software solutions, it covers the entire lifecycle of building and infrastructure projects, guides its customers into the future of digitalization and enables them to shape the world. As one of the leading corporate groups worldwide in this sector, the Nemetschek Group increases quality in the building process and improves the digital workflow for all those involved. Customers can design, build, and manage buildings more efficiently, sustainably and resource-saving. The focus is on the use of open standards (OPEN BIM). The portfolio also includes digital solutions for visualization, 3D modeling, and animation. The innovative products of the 13 brands of the Nemetschek Group in the four customer-oriented segments are used by approximately 6.5 million users worldwide. Founded by Prof. Georg Nemetschek in 1963, the Nemetschek Group today employs around 3,400 experts all over the world.

Publicly listed since 1999 and quoted on the MDAX and TecDAX, the company achieved revenue amounting to EUR 681.5 million and an EBITDA of EUR 222.0 million in 2021.

About the Best Managed Companies Award

The Best Managed Companies program is a competition and seal of approval for successful mid-sized companies run by Deloitte Private, Credit Suisse, the Frankfurter Allgemeine Zeitung and the Federation of German Industries. The vision: to build a national and global ecosystem of excellently managed medium-sized companies.

A key unique selling point of Best Managed Companies is its internationality: Best Managed Companies was launched by Deloitte in Canada in the 1990s and has since been successfully introduced in more than 40 countries.
