Nemetschek Group with 10 Brands at BIM World Munich 2021

Munich, November 22, 2021 – BIM World Munich 2021 is opening its doors tomorrow. Ten brands of the Nemetschek Group, one of the world's leading software vendors for the AEC/O industry, will present themselves on site with lectures, workshops, and a joint booth.

BIM World Munich is the leading networking platform for national and international players in the digitization of the construction, real estate, and infrastructure industry for six years. The annual event in Munich consists of a two-day international congress and a trade fair with integrated open forums.

With over 200 speakers on six stages, BIM World Munich is an important event for all stakeholders in the AEC/O industry. With the motto "Shape the World", the Nemetschek Group brands Allplan, Bluebeam, Data Design System, dRofus, FRILO, Graphisoft, NEVARIS, SCIA, Solibri and Vectorworks will showcase their solutions (booth 10, EG).

The adoption of open standards, the necessary collaboration between individual professions, increasing digitalization and the ecological and economic challenges of the construction industry - these topics are in the focus of the event.
