

The new hybrid office of Spacewell in the Netherlands

Jun 23, 2022 11:44 UTC

## Spacewell opens new hybrid office in Arnhem, the Netherlands

**Heteren/Arnhem, June 10, 2022** – As Spacewell continues its growth path, it is moving its Dutch offices on June 20 to a prime location in Arnhem. The teams responsible for Spacewell Workplace (formerly Axxerion) and the maintenance planning software O-Prognose will then share one inspiring working environment.

### People-centric solutions

Spacewell supports organizations of all sizes to make their buildings more

people-centric, healthier and more sustainable. It builds and delivers cloud software and digital technology to support employees in the hybrid office. Managers can leverage real-time data on office occupancy, space usage, air quality, asset performance, and more. Those data insights – combined with smart workflows – allow them to improve building operations and the work experience.

Naturally, Spacewell's innovative [Workplace software solutions](#) will also be integrated into Spacewell's new work environment in Arnhem and visitors will be able to learn about them on site.

New address Spacewell Netherlands office from June 20: Groningensingel 1 (1st floor, wing B), 6835 EA Arnhem.

## **About the Nemetschek Group**

The Nemetschek Group is a pioneer for digital transformation in the AEC/O and the media & entertainment industries. With its intelligent software solutions, it covers the entire lifecycle of building and infrastructure projects, guides its customers into the future of digitalization and enables them to shape the world. As one of the leading corporate groups worldwide in this sector, the Nemetschek Group increases quality in the building process and improves the digital workflow for all those involved. Customers can design, build, and manage buildings more efficiently, sustainably and resource-saving. The focus is on the use of open standards (OPEN BIM). The portfolio also includes digital solutions for visualization, 3D modeling, and animation. The innovative solutions of the brands ALLPLAN, Bluebeam, Crem Solutions, dRofus, FRILO, Graphisoft, Maxon, Nevaris, RISA, SCIA, Solibri, Spacewell and Vectorworks in the four customer-oriented segments are used by approximately 6.5 million users worldwide. Founded by Prof. Georg Nemetschek in 1963, the Nemetschek Group today employs around 3,400 experts all over the world.

Publicly listed since 1999 and quoted on the MDAX and TecDAX, the company achieved revenue amounting to EUR 681.5 million and an EBITDA

of EUR 222.0 million in 2021.
