Vectorworks, Inc. Welcomes Designers to a Day of Discovery At 2024 Open House

Registration Now Open for Virtual Event Available to Customers Worldwide on May 7.

Columbia, MD (April 3, 2024)—Global design and BIM software provider [Vectorworks, Inc.](#) invites designers to its fourth Open House event on Tuesday, May 7, 2024. This free virtual experience is tailored specifically for customers in the architecture, interiors, landscape architecture and design, and entertainment design industries, allowing them to engage directly with experts on the Vectorworks team. During the event, participants will have the opportunity to explore Vectorworks' latest features and innovations and gain

valuable insights to enhance their specific workflows.

“The Vectorworks Open House is a uniquely engaging event that we eagerly anticipate each year,” said Vectorworks Chief Product Officer Darick DeHart. “It offers a wonderful opportunity for our global customers to connect directly with our knowledgeable team, allowing them to ask questions, acquire new skills and information, and stay informed about the [future of Vectorworks](#), all from the convenience of their own offices or homes.”

Attendees will connect with engineers, product experts, and the Vectorworks leadership team to discuss various topics, witness in-depth presentations of Vectorworks’ products, and learn more about the [latest updates](#) to the software. Open forums and presentations will be available on a range of topics, including:

- Architecture
- Vectorworks Odyssey & Vectorworks Nomad
- Entertainment
- Landscapes
- Rendering
- Vectorworks Product Roadmap
- Vectorworks University & Certifications
- 3D Modeling

This year’s event will be held on Zoom Events at two different times to accommodate participants from different time zones. It will occur from 10 a.m. to 5 p.m. EDT and 9 a.m. to 12 p.m. AEST. Attendees can join the event anytime during its duration for their convenience. Those interested in attending are encouraged to visit the [registration page](#) to secure their spot.

Press interested in attending should contact the Vectorworks PR team at pr@vectorworks.net for more information, to request a demonstration, or to schedule a press interview with an executive or industry experts.

About Vectorworks, Inc.

Vectorworks, Inc. is an award-winning design and BIM software provider serving the architecture, landscape architecture, and entertainment industries in 85 countries. Creating intuitive software since 1985, we’ve become the

preeminent software built to manage the entire design process. Globally, more than 685,000 users are creating, connecting, and influencing the next generation of design with Vectorworks on Mac and Windows. Headquartered in Columbia, Maryland, with offices in the UK, Canada, Australia, and Japan, Vectorworks is a part of the [Nemetschek Group](#). Learn how we empower designers to create experiences that transform the world at vectorworks.net or follow @Vectorworks.

About the Nemetschek Group

The Nemetschek Group is a globally leading provider of software for digital transformation in the AEC/O and media industries. Its intelligent software solutions cover the entire life cycle of construction and infrastructure projects and allow creatives to optimize their workflows. Customers can plan, construct, and manage buildings and infrastructure more efficiently and sustainably, and develop digital content such as visualizations, films, and computer games in a creative way. The software company drives new technologies and approaches such as artificial intelligence, digital twins, and open standards (OPEN BIM) in the AEC/O industries to increase productivity and sustainability. We are continuously expanding our portfolio, including through investments in disruptive start-ups. More than 7 million users are currently designing the world with the customer-focused solutions of our four segments. Founded by Prof. Georg Nemetschek in 1963, the Nemetschek Group today employs more than 3,400 experts.

The company, which has been listed in the MDAX and TecDAX since 1999, achieved a revenue of EUR 851.6 million and an EBITDA of EUR 257.7 million in 2023.
